Welcome letter

Dear Delegates,

It is our great pleasure to welcome you to the international conference entitled “Re-Learning to Be Human for Global Times: Cultural Development, Justice and Responsibility”. This conference will last from 15th to 16th July, hosted and organized by RVP and Center for Moral Culture Studies of Hunan Normal University.

For the success of the conference, please carefully read the following:

1. Please wear your delegate card when you are present at the conference, attend relevant activities or have meals. All conference meals are buffet; please have meals with meal coupon following the schedule.
2. Please take the room card with you when leaving your room. The checkout time of Fenglin Hotel is 13:00 p.m.; if you check out between 13:00 to 18:00 p.m., then the hotel will charge you fees as a half day; if you check out after 18:00 p.m., the hotel will charge you fees as a whole day.
3. Please be present at the conference and attend relevant activities on time.
4. Please ensure that your mobile phone is always silent at the meeting room.
5. No smoking at the meeting room, please. Any kinds of food and drink except water are not allowed to bring into the meeting room.
6. Please be careful and take good care of your belongings.

We thank you for all of your hard work in preparing for this conference and are looking forward to an incredible party. Let’s enjoy it! And never hesitate to contact us with any questions you may have.

Yours sincerely,

All staff members

14th, July, 2017

Hunan Normal University

Hunan Normal University, founded in 1938, is located in Changsha, famed for a long history and rich culture. It is among the national '211 Project' key universities and is rated as an excellent university in terms of undergraduate teaching by the Ministry of Education. It has 7 campuses covering a total area of 180 hectares with over 1,190,000 square meters of floor space.

The university has 24 colleges, 92 undergraduate disciplines covering 12 major disciplines such as philosophy, economics, law, education, literature, history, science, technology, agriculture, medicine, management and art. The university has obtained 6 national key disciplines, 9 key disciplines subsidized by the 211 Project, 3 advantageous provincial key disciplines and 22 provincial key disciplines during the 12th Five-year Plan. At present, the university has two disciplines which are 'Chemistry' and 'Clinical Medicine' ranked in the 1% of the ESI (basic scientific index) of the world.

It offers 18 Postdoctoral research centers, 17 doctoral programs of first-level disciplines, 35 masters' programs of first-level disciplines as well as 18 professional masters' programs.

The university consists of over 1,700 faculties, including an Academician of the Chinese Academy of Science and an Academician of the Chinese Academy of Engineering, 3 members of the Discipline Appraisal Group of the State Council.

The university has set up partnerships with 155 universities or educational institutions from 40 countries and regions to carry out the personnel exchanges, teaching and scientific research cooperation. The

university has co-established 3 Confucius Institutes abroad with Kazan Federal University in Russia, Wonkwang University in South Korea and Southern Utah University in U.S.A respectively.

The university library houses more than 3.92 million books, among which about 220,000 are thread-bound ancient books, and subscribes to over 103 bibliographic databases. In addition, the university runs a publishing house, and published 14 publicly-distributed academic periodicals, 7 of which are national core Chinese periodicals. The university press is the 'Chinese Top 100 Press', with first-class rank.

Since its founding, the university has successively trained over 400,000 students of various types for the country, and a large number of international students and students from Hong Kong, Macao and Taiwan. Its alumni spread all over the world.

Currently, Hunan Normal University comprises over 36,000 full-time students, including nearly 9,000 graduates and over 1,000 international students. Hunan Normal University has developed an educational pattern featuring diversified training forms and levels.

Looking into the future, Hunan Normal University will carry forward its fine tradition of 'being humane, caring, excellent and industrious', taking high moral values establishment and people cultivation as the fundamental task of education. It endeavors to serve the whole nation and even the world based on its achievements in the Hunan Province. It will steadfastly promote its connotation development, innovation development, characteristic development, sustainability development and harmony development, strengthen the teacher training as its distinguishing feature, and strive to establish itself as a first-rate university at home and a high-level comprehensive one in the world.

Research Institute of Moral Culture Studies

Research Institute of Moral Culture Studies is an institute of Hunan Normal University to focus on teaching and research of Ethics. It has three centers, namely, Center for Moral Culture Studies, Center for Studying Theory of Sharing and Center for Studying Ecological Civilization. Ethics of Hunan Normal University is one of the two National Key Disciplines financed by the Educational Ministry of China. It was established by Professor Tang Kailin in early 1980s. The institute was entitled to grant MA degree of ethics in 1986 and PhD in 1993. It was in 2004 that it began to receive postdoctoral researchers. The institute is now widely famous for its ethical studies in China.

The president of the institute is Li Min, who also holds a concurrent position as the Party secretary of Hunan Normal University. Professor Xiang Yu-qiao is the vice-president of the institute. The institute has 50 researchers in total, among them 20 are full-time researchers, with the others being part-time. The full-time researchers include such scholars as Liu Xiang-rong, Wang Ze-ying, Zhang Huai-cheng, Xiang Yu-qiao, Li Pei-chao, Peng Ding-guang, Li Lun and Li Gui-mei etc. The part-time researchers include Professor Wan Junren, who is the dean of School of Humanities of Tsinghua University as well as the president of China Association for Ethical Studies, and Gan Shao-ping, who is a full-time researcher of China Academy of Social Sciences.

The research scope of the institute cover moral philosophy, the history of Chinese ethical thoughts, The history of western ethical thoughts, applied ethics and moral education etc. The researchers of the institute have made investigations into such specific areas as China's traditional moral culture, history of Chinese moral life, history of American ethical thoughts, ecological ethics, morals of sharing, wealth ethics, moral governance, moral memory, etc.

The institute is the host unit of the journal of China Association for Ethical Studies, *Studies in Ethics*, financed by National Social Science Fund of China.
