A woman with short dark hair and glasses, wearing a white long-sleeved shirt, is seated at a dark wood conference table. She is looking towards the left of the frame. In front of her is a nameplate that reads "Shen Haiyan". To her left is a purple water bottle. A black computer monitor is positioned in front of her, and a microphone is visible to her right. In the background, another woman with glasses is partially visible. To the right, another person is wearing a headset. In the foreground, a young man with a headset is looking towards the camera. A nameplate with the text "ianmin" is partially visible in the foreground on the right. The setting appears to be a formal meeting or press conference.
